Spoil Yourself

Welcome to the September issue of Club Life.

Due to your continued support we are trading reasonably well during these uncertain times, albeit in a reduced operational capacity.

Just as this issue went to print, we held our annual Club Grants morning tea and we were absolutely delighted again to be able to support over 20 local community projects. More on this next issue.

September of course is Father's Day. A Happy Father's Day to all. Our chefs are preparing a sumptuous lunch and

dinner menu and we look forward to having members and their families celebrate at the club on Sunday 6th September.

As we continue to navigate the changing health environment caused by the Covid 19 pandemic we advise members and guests to keep up to date via our social media pages and website.

Until next month, take care.
