

**BALLINA
RSL**

29 December 2020

Dear Members, Guests and Visitors

The recent NSW Public Health Orders have been amended in response to the recent outbreak in Sydney's Northern Beaches and various other locations throughout the Greater Sydney area (Including the Blue Mountains), Central Coast and Wollongong and these new directions are in place until 11:59pm on Wednesday 30 December 2020.

Club Member and/or Visitor Restrictions

There are no restrictions on members and/or visitors from regional NSW visiting the club so long as in the last 14 days they have not:

1. been in the Northern Beaches LGA,
2. been to the area defined as Greater Sydney (including the Blue Mountains), Central Coast and Wollongong,
3. been to any of the locations on the self-isolate and get tested immediately list, at the times and dates listed, or
4. been to any of the locations on the monitor for symptoms list, at the times and dates listed.

The ongoing health and safety of our members and staff are critically important in managing the clubs operations throughout this time and we ask that members and visitors be mindful of the responsibilities and obligations of our staff when verifying the residential and welfare status of persons entering the club premises.

We will be communicating further changes and updates as they arise.

Bill Coulter
Chief Executive Officer
